Byron Delaney

Electra Sutton, co-chair welcomed the assembled participants and conducted introductions.

Tualatin Valley Fire and Rescue report was given by Station 67 representatives. Described general obligation bonds for county emergency communication and response facilities.

Beaverton Police Department representative described the crime statistics for Central Beaverton for the month of June, and provided detailed, illustrated handouts. Events such as a car seat clinic were described.

Tualatin Valley Parks and Recreation District representatives Brian Powers and Scott Bucker described programs and future plans, such as removing tennis courts in order to install desirable futsal parks.

City of Beaverton representatives Robin Scholetzky and Pat VanOsdal discussed formalities involving the expansion of floor space used by the City of Beaverton in City Hall. No leases are to be broken in this process, and tenants are in agreement with regards to the expansion process. Also, it was mentioned that the kiosk near the vendor Beaverton Bakery is to be removed.

Roberta Ulrich mentioned that volunteer and income requirements met for Booked for Success grant.

Jen Christy discussed potential grant involving a community-oriented outdoor dance event at Beaverton City Park. Two grants would ideally be required. A potential name for the grant is Footloose in the Fountain. Roberta made motion to submit corresponding grant application. Byron seconded the motion. All board members voted yes.

City of Beaverton representative Tyler Ryerson discussed collaboration between the Central Beaverton NAC and the Beaverton Redevelopment Agency. Various programs, projects and strategies were discussed, such as the Creekside Redevelopment project and tax increment financing. Past, current, and future scenarios, situations, projects, and possibilities were discussed in detail.
